Love Morris

I Love Morris - to the Rescue!

On June 3rd this community will be buzzing with many activities and excitement. In order to beautify our town, we will need help from you. The park area and perennial garden on the south end of town needs attention. If you can help bring tools with you such as garden gloves, garden shears, a hoe, or a chain saw if you have one. Weeds have to be pulled around the new trees planted along Southwood Road and the trees planted at the Cemetery could use some TLC as well. Last Year we rated 4 Blooms in the Provincial competition. Let's aim for 5 Blooms this year.

The Original Quiz Masters: Save the date!

September 8th, 2017

Manitoba's Original Quizmasters

Fun and interactive quiz entertainment is coming to the Multiplex!

What is it?!

Team vs team trivia competition where players work together as a group to answer questions from various categories including current events, pop culture, music, movies, history and more. The night will contain a mix of audio, visual and oral questions complete with projection screens and loud speakers to create an exciting and dynamic evening with snacks, cash bar and music entertainment.

Call the Multiplex for more information on how your group or workplace can sign up!

Attention Pet Owners

The town would like to remind everyone to be responsible pet owners. We have received some complaints at our office regarding loose cats and dogs as well as stray feral cats.

- * Please spay or neuter your pet.
- * Please keep your pet contained to your property, otherwise it may be picked up by our animal control officer and be relocated.
- * Do not feed stray cats as it only entices them to stay in the area.
- * All cats and dogs in the Town of Morris are required to be licensed.

All cat and dog licenses are available for FREE at the Town Office!

LOVE MORRIS: JUNE 3

Everyone is invited to share their community pride and spirit on the best day of the whole year! Wonderful Acts of Kindness to neighbors and taking care of the Town we live in are all highlights of this day.

Don't Feed the Deer!

Although well intentioned, feeding deer can actually endanger their health and survival.

Deer sometimes damage gardens, shrubs, fruit trees and other public or private property. They can be a threat to human health and safety when they wander onto roadways and collide with vehicles. They can also carry deer ticks, which may transmit Lyme disease to humans.

For more information on this matter please visit the Province of Manitoba website at www.gov.mb.ca
