## FALL NEWSLETTER

Covering September, October, November

### Town Clean-up

This year the Town Clean-up in Fall will be held  
**Tuesday October 9th - Monday October 12th.**

The Town of Morris public works department conducts a Town wide clean-up twice a year. The purpose of this program is to help everyone clean up their yards and household products that are otherwise hard to get rid of. A clean community promotes pride in your community.

- We ask that you please **separate** your tree trimmings & glass objects from the rest of your garbage to make this an easier process for our public works department.
- We also ask that you please **do not** place renovation materials at the curb.
- Old Appliances are welcome to be placed at the curb but freezers and refrigerators must be **tagged Freon free.**
- Everything **must** be on the curb by the morning of October 9th. Public works department will be starting at one end of Town and finishing at the other. If you put it out after the 9th and you are missed it will be your responsibility to have it removed.

### Attention Pet Owners

The town would like to remind everyone to be responsible pet owners. We have received some complaints at our office regarding loose cats and dogs as well as stray feral cats.

- Please spay or neuter your pet.
- Please keep your pet contained to your property, otherwise it may be picked up by our animal control officer and be relocated.
