### Communities in Bloom

#### GETTING READY FOR SUMMER!

It is that time of year to invite everyone to share their community pride & spirit. As a member of Manitoba's Communities in Bloom we will again try to showcase our community. We hosted the Conference last year & we again hope to gain a 5 Bloom rating. The program benefits are plentiful from increased civic pride, increased property values, benefits for tourism, hospitality & retail industry. It is through the efforts of many volunteers we are able to reach this goal.

**Watch for posters!**
