

# Curbside Recycling

## How to use your carts:

- Your Cart will be emptied every-other-week.
- To ensure your cart gets emptied have it to the curb by 7AM.
- After the cart has been emptied please remove it from the curb and place in a safe spot.
- Only recyclables **INSIDE** the cart will be collected.
- Please notify us if your cart is damaged, stolen or vandalized.
- Please keep the cart clean and take care of it.
- Leave space between the cart and any obstruction.
- If you have any questions about how to use of your cart please contact our office.

Visit [www.mwmltd.ca](http://www.mwmltd.ca) to print service calendars or create service reminders!

MWM offers a Cart Assistance Program that is available for the elderly & disabled who are unable to pull their cart to the curb.

Please call our office to make arrangements.

# Single Stream Recycling

## No sorting!

All Recyclables in One Cart means no sorting, bagging or tying recyclables: place all material loose in your bin. Shredded paper should be bagged and tied shut as well.

## PAPER FIBER MATERIALS

*Do Not Bag or Tie*

- Flattened corrugated cardboard and paperboard (i.e. empty cereal boxes, empty detergent boxes, empty tissue boxes) *placed loosely in the cart*
- Newspapers, flyers, inserts, junk mail
- Magazines, catalogues, paperback books, hardcover books with covers and spine removed
- Telephone books or other paper directories
- Brown paper bags, tissue roll cores, gift and packing paper, paper egg cartons
- Shredded paper - *please bag*

## CONTAINERS & GLASS

*Clean and Rinsed - Do Not Bag or Tie*

- Aluminum soft drink & beer cans
- Glass food and beverage containers
- Household tin cans (**please rinse**)
- Milk cartons and jugs (**please rinse**)
- Gable top containers (**please rinse**)
- Juice cartons, boxes and aseptic containers (**please rinse**)
- Plastic soft drink and water bottles
- Household plastic containers and bottles - must have the recycling arrows with a number (**1, 2, 4, 5, 7**) on the bottom.

(A container with the arrows but no number means the container is made from recycled materials, but may not be recyclable itself and cannot be accepted.)

## DO NOT RECYCLE

*If the following material is in the cart it will either unloaded or the cart will not be emptied*

- Any bagged material (excluding shredded paper). This allows material to be sorted later in the recycling process and reduces the cost of processing
- Wax, food contaminated, or plastic coated cardboard, cups or paper plates
- Soiled tissues, napkins and paper towels or food waste of any kind
- Styrofoam or other foam packing
- Household garbage, organic, hazardous or regulated waste
- Medical waste or diapers
- Hazardous material such as paint, chemicals or solvents
- Ashes, dirt, concrete or other heavy materials
- Construction material such as boards, roofing materials and carpet
- Automotive parts, tires, oil filters or oil
- Propane tanks, electrical cords, batteries
- Clear plastic clam shell containers without recycling arrows and numbers 1 through 7
- Plastic Bags, Toys or Tupperware
- Outdoor lawn furniture
- No cups, dishes, ashtrays, window glass, mirrors, Pyrex, ceramics, light bulbs or crystal
- No animal waste (including cat litter)
- Tree branches, grass clippings or leaves
- Electronics of any kind (including monitors, keyboards and TVs)
- Snack food packages or sandwich bags
- Clothing or bedding of any kind
