Call **911** or go to an emergency department

Accessing Health Care Services - Morris & Area

Primary Care Clinic

Your primary care clinic is your medical home where most of your health issues can and should be addressed.

You should always try to seek care for non-emergency issues with your health care provider such as your nurse practitioner/doctor. Same-day appointments may be available.

Please call your local primary care provider to schedule an appointment.

If you do not have a primary care provider, call Family Doctor Finder at 1 866 690 8260.

If you are unsure about where to access services, call Health Links-Info Santé

1 888 315 9257

Speak with your pharmacist about your medication refill needs.

Mental Health Services/Substance Use Support

- If you or someone you care about is experiencing a mental health crisis, call Crisis Services at 1-888-617-7715 or Manitoba Suicide Line at 1-877-435-7170. If the situation is life-threatening, call 911 or visit an emergency department (see above).
- If you or a loved one is living with mental illness, call 1-888-310-4593 to access Community Mental Health services (counselling, education, referrals).
- For substance use concerns, call 204-239-8800 to access the Rapid Access to Addictions Medicine (RAAM) Clinic in Portage la Prairie, a walk-in clinic for adults (age 18+) looking to get help with high-risk substance use and addiction. No referral is needed. Open Monday to Friday 8:30am-4:30pm.
- For more information on other mental health services, visit www.southernhealth.ca
